

Important Notice to Motorists and Residents

Townsville Ring Road (Stage 5)

Temporary detour at the Hervey Range Road exit-ramp and Shaw Road entry-ramp

**Commencing 6am Friday 29 July
until 6pm Saturday 5 November 2022**

(weather and construction permitting)

The Department of Transport and Main Roads (TMR) would like to advise road users and nearby residents that a temporary road closure will be in place at the Hervey Range Road exit-ramp from the Ring Road. North-bound traffic heading towards Ingham will not be able to exit the Ring Road using the Hervey Range Road exit-ramp during the advised period. A detour will be in-place via the Dalrymple Road interchange.

A concurrent temporary road closure will also be in place at the Shaw Road South-bound entry ramp to the Ring Road. A detour will be in place via the Dalrymple Road interchange. Local access will be maintained to The Reserve Estate during the advised period under traffic control. (see attached detour map)

The advised detours are required to ensure the safety of construction workers and road users while construction crews build the new entry ramp and exit ramp in this area.

Road users are asked to drive carefully, observe detour signage, follow traffic controllers' directions, and adhere to reduced speed limits.

All dates and times are subject to weather and construction conditions; this may change the advertised work schedule.

Detour map and directions:

North-bound Ring Road exit-ramp (to Hervey Range Road): The north-bound exit ramp to Hervey Range Road will be closed to all traffic during the advised period. A detour will be in place via the Dalrymple Road interchange.

South-Bound Shaw Road entry-ramp (to the Ring Road): The South-bound entry-ramp to the Ring Road will be closed during the advised period. A detour will be in place via the Dalrymple Road Interchange. Local access will be maintained to The Reserve Estate under traffic control.

North-bound Ring Road (toward Ingham): North-bound through travel will not be impacted during the advised works.

South-bound Ring Road (toward Townsville University Hospital): South-bound through travel on the Ring Road will not be impacted during detour.

What to expect during works:

- Traffic control and roadworks signage will be in place as required to direct motorists
- Noise from machinery and construction vehicles will be present while these works are underway
- Detours will be in place via main roads

Every effort will be made to minimise disruptions to the community. The project team would like to thank the community for their patience during these works.
